To,

C.A. Kuldeep Gupta
Chairman - Jaipur Branch
ICAI

C.A. Ruchi Gupta
Secretary - Jaipur Branch
ICAI

Subject :- To connect the local school with the Jaipur branch of the institute.
Reference :- Regarding your letter dated 22 March 2022.

Sir,

Taking note of your letter, it gives great pleasure to know that the Jaipur branch of the reputed institute wishes to establish an empanelment with our school. So that for all the CAs associated with the institute, their children should be given preference for admission in the school, as well as the benefit of some exemption in fee should also be given.

Although the school which is affiliated to the Central Board of Secondary Education and the comparative results of all the nearby schools proves that the school has been doing the work of providing the best education with a normal fee for the last one and a half decades. School Director Dr. (CA) Sunny Kapoor who due to being a CA well understands the importance and quality of the reputed institute. He had put your proposal before the school committee, the school committee has agreed to give **50 percent rebate in admission fee and 10 percent in tuition fee for the children of chartered accountants attached to a reputed institution.**

Therefore, you are requested to prepare and send an agreement by mou between your institution and the school, so that the empanelment can be established between the institute and the school.

Kind regards.

Director

Dr. (CA) Sunny Kapoor
Malviya Convent School,
Malviya Nagar, Jaipur.
