Warm Greetings from Indus Jaipur Hospital

Indus Jaipur Hospital has been one of the most reputed medical centers in Jaipur. Established in the year 2018 in Jaipur, it has come a long way. Dr. Karan Sharma, Managing Trustee realized the urgent need to establish a world-class and state-of-art hospital for the patients who can't afford to travel abroad for their treatments. He understood the country's need for advanced medical institutes with independent working structures.

Indus Jaipur Hospital, along with treatment, also believes in innovation and advancements in clinical care and technology. The medical team is highly dedicated to treating patients with a combination of modern and conventional medications. Indus Jaipur Hospital is proud to state that all the medical treatments are offered at an affordable cost.

The sole ambition of Indus Jaipur Hospital is to deliver holistic, world-class and inexpensive healthcare services in the domain of Cardiology, Orthopedic, Gen.Medicine, Gynecology, and General surgery, Neurology, Urology and many more. They offer inpatient room options like a single room, sharing rooms, suites, twin sharing, and deluxe rooms.

They also aim to build a dynamic medical institution that emphasizes on acquiring new knowledge and people development. Though Indus Jaipur Hospital has evolved over the years, its core values of excellence & leadership, courage, integrity, compassion, and innovation still remains the same.

We at Indus Jaipur Hospital re-commit ourselves to bringing the best of the existing and emerging in the medical technology space to serve you while retaining the human touch that distinguishes us.
