We aim to provide quality healthcare facilities for Women and Children across all age groups. Our team of experts leave no stone unturned in providing the best care for our patients. We intend to provide focused care to our patients since we believe that this will ensure best outcome for Women and Children and finally they can have a hospital which they can call their "OWN". As the one of the best Pediatric Health Center in Jaipur, we are driven by a mission every day to improve the health of children by providing the best possible care, creating ground breaking scientific and clinical advancements and training the next generation of experts in child health.

We are serving as a Multispecialty Paediatric Hospital too i.e. Gastroenterology, Neurology, Nephrology, Paediatric Surgery, Plastic Surgery, Endocrinology. In these segments again, we are doing extraordinary work. This work has a profound impact not only at local level, but also at state and national level. We have an excellent team of Pediatric super specialists to complement our advanced intensive care facilities. This enables us to manage any critical patients. We believe in delivering highest possible care at an affordable price to the patients. Our vision is to provide world class facilities for children and mothers in India at a price which the general public in India can afford.

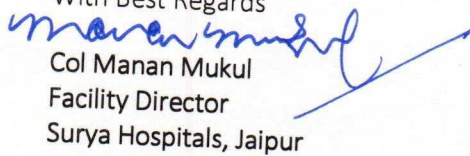

Advantages with our system:

- Only Hospital Dedicated to Women & Children
- Specially trained staff for handling the Children's emergencies
- 24 Hours Emergency Services
