Sub: Request for Empanelment of Manipal Hospital, Jaipur with Jaipur ICAI

Manipal Hospitals is one of India's foremost multi-specialty healthcare providers catering to both Indian and international patients. We are a part of the Manipal Education and Medical Group (MEMG) – a leader in the areas of education and healthcare. With more than 5000 operational beds, our commitment to the overall well-being of an individual is at the core of everything we do. Through our network of hospitals and experienced team of medical professionals, we provide quality and affordable healthcare to everyone.

We offer an integrated range of healthcare services from out-patient treatment and diagnostics to advanced clinical care which also extends to personalized home-care services. We keep pace with the latest technological breakthroughs in medical science and equip our hospitals with state-of-the-art facilities on par with global standards. From the simplest to the most complex medical problems, we deliver the most cutting-edge treatment.

We serve thousands of patients through our network of hospitals every day and offer quality healthcare to people from India and overseas. Through our association with the Manipal Foundation and other NGOs, we provide affordable healthcare services to the less privileged sections of the society.

Facilities:

Total environmental control with proper treatment of air and water, well provided waiting space, sophisticated and well stocked pharmacy and facilities for communication and refreshment enhances the patient comfort. Manipal Hospital is supported by state-of-the art medical gas system, central sterile supply, laundry and full backup power generation. Supporting most modern healthcare we adhere to stringent infection control, environment protection, biomedical waste disposal, sewage treatment and rain water harvesting. Currently the hospital is having 234 beds devoted for the patient comfort which includes ICU's, Economy Wards, Semi-private Rooms, Private/Deluxe Rooms and Super-Deluxe/Suite Rooms.
