Warm Greetings from Somani Hospital

Somani Hospital along with treatment, also believes in innovation and advancements in clinical care and technology. The medical team is highly dedicated to treating patients with a combination of modern and conventional medications. We are also authorized centre for clinical trials with institutional ethics committee. During this pandemic we were Govt. authorized dedicated COVID center.

We also aim to build a dynamic medical institution that emphasizes on acquiring new knowledge and people development. Though Somani Hospital has evolved over the years, its core values of excellence & leadership. Courage, integrity, compassion, and innovation still remains the same.

We at Somani Hospital re-commit ourselves to bringing the best of the existing and emerging in the medical technology space to serve you while retaining the human touch that distinguishes us.
